

Lake Forest Open Lands Association 2008 Eco-Adventure Summer Camp

Get ready for an adventure this summer! This treasured summer experience is the signature of Lake Forest Open Lands' education programming. Through three fun-filled weeks, campers explore the wild places of Lake Forest in canoes, kayaks, on bicycles and by foot. Participants are taught wilderness and leadership skills through positive outdoor experiences. Field trips and an overnight camp-out complete the experience. We hope your child will join us for this exploration of our local natural areas.
